

Department of Integrative Biology
College of Natural Science
MICHIGAN STATE UNIVERSITY

SUMMER 2018: IBIO 368

ZOO ANIMAL BIOLOGY & CONSERVATION

What Makes This Course Unique:

This fully online, three credit course teaches species specific best practices using modules developed by the San Diego Zoo Global Academy.

Prerequisites: BS 162 or department approval.

Course Offering: Second summer session
(7/2/2018-8/16/2018).

Enrollment Instructions: Email ibio@msu.edu to request an override if you haven't completed BS 162 or are a non-MSU student. Non-MSU students must also apply as a MSU Lifelong Student to enroll.

For More Information Contact:

Dr. Richard Snider, snider@msu.edu
Shannon Nicely, niceleys@msu.edu
Katie Licht, lichtkat@msu.edu
